1. **Organizer:** PZK - Polish Amateur Radio Union (Polski Związek Krótkofalowców), and the SP DX Club.
2. **Date:** The first full weekend of April – from 15:00 UTC Saturday, to 15:00 UTC Sunday.
3. **Bands:** 160, 80, 40, 20, 15, 10m according to the IARU Contest Band Plan.
4. **Modes:** PHONE and CW. Contacts on PHONE and CW with the same station in the MIXED category are counted as separate contacts. Cross-mode contacts (i.e. PHONE/CW) are not allowed.
5. **Calling practice in the contest:**  
For Polish stations: „CQ CONTEST” on PHONE, or „CQ TEST” on CW.  
Foreign stations: „CQ SP”.
6. **Number exchange:**  
**Polish stations** send a three or four character report consisting of a signal report (RS or RST) plus the letter of a voivodeship. Voivodeship abbreviations are: B, C, D, F, G, J, K, L, M, O, P, R, S, U, W, Z.  
**Foreign stations** send a five or six character report consisting of a signal report (RS or RST) plus a three digit contest contact number beginning with 001 (for example "59 001" on phone or "599 001" on CW).
7. **Points:**  
For Polish stations:  
A QSO with a DX station (outside Europe), 3 points  
A QSO with a station in Europe 1 point  
Contacts with other Polish stations do not count  
For foreign stations: 3 points for every contact with a Polish station
8. **Multipliers:**  
**For Polish stations:** countries on the current DXCC list (except SP) contacted on each band, regardless of mode  
**For foreign stations:** voivodeships in Poland contacted on each band, regardless of mode, for a maximum of 96 (16 voivodeships x 6 bands)
9. **Scoring:** The total QSO points on all bands multiplied by the total multiplier on all bands.

Definition of categories and abbreviations used:

- **MO:** Multi-operator Single Transmitter means that only one signal may be transmitted at any given time.
- **SO:** Single Operator means that all contest activities, station operating, logging and scorekeeping are performed by one person. In addition, only one signal may be transmitted at any given time.
- **SOTB:** Single Operator Three Band - SO on any three chosen bands.
- **HP:** High Power – the maximum output power allowed by your license class

- **LP:** the maximum output power is 100 watts.
- **QRP:** the maximum output power is 5 watts.
- **AB:** All Bands.
- **SB:** Single Band.
- **MIXED:** Mixed Mode.

Every participant must declare their entry in one category only, any remaining QSO's will be used as check logs

**11. Short Wave Listeners (SWL):**

- Polish SWL's must log the callsign, signal report and exchange sent by a foreign station, as well as the callsign of the Polish station.
  - Foreign SWL's must log the callsign and exchange sent by the Polish station, as well as the callsign of the foreign station
- Points, multiplier and scoring is the same as for transmitting stations. Both Polish stations and foreign stations can only be logged once per band and mode, except if one of the stations is a new multiplier.

**12. Contest results:** The final results for foreign stations will be listed by country for all countries participating in the contest by category. In the QRP category for foreign stations, the results will be listed by continent. For Polish stations, the results will be listed by category. There will be a separate listing of top scores in all categories.

**13. Awards:** The top scores in each category will be awarded certificates, the number of which will be decided by the Contest Committee, depending on the number of participants in each category as well as the scores of the leading participants. First-place winners in each category, continent and country may receive special plaques or other awards sponsored by individuals and groups. It is also expected that there will be special awards in categories designated by their sponsors.

**14. Contest logs:** Electronic logs in the Cabrillo format should be sent to: [spdx-logs@pzk.org.pl](mailto:spdx-logs@pzk.org.pl) The Cabrillo log should be attached as a file, with your callsign in the "Subject:" line of the e-mail.
